

Welcome

We are excited that you have chosen to begin your educational journey with us. The entire Tri-C community is dedicated to helping you reach your educational goals. Tri-C offers you one door with many options for success. Whether your plan is to transfer, prepare for a new career or enroll in personal enrichment courses, Tri-C will ensure you have a rich college experience and that you leave prepared for what lies ahead.

The Office of Student Affairs created this handbook to guide you through your educational experience. It will help you create plans leading to certificate and associate degree completion, transfer to a four-year institution or transition into a new career.

Throughout your first year, we will provide resources and information to help you develop essential skills like time management, goal-setting, and creating and following an academic plan.

We encourage you to reference this handbook throughout your enrollment at Tri-C. While this handbook is a great resource, it may not answer every question. Contact your campus Student Affairs office for additional guidance.

The Tri-C team looks forward to playing an active role in your success!
