

This Is Me

A chosen name is a name by which a person chooses to be identified, apart from their legal name. The College allows students and employees to use a chosen name. Your chosen name will substitute for your primary/legal name on advising rosters, Blackboard, class rosters and grade rosters. You may add or update your chosen name, personal pronouns and/or gender identity on *my Tri-C space*. Additional information and step-by-step instructions are available at tri-c.edu/thisisme.
